

Information sheet children group course

To enhance your child's learning experience and group dynamics, we exclusively offer our group lessons as 3-day courses in full-day or half-day formats. The course always starts on a Monday. If you wish to extend the course beyond the initial 3 days, please inform your ski or snowboard instructor as early as possible, and we will do our best to find a solution.

Our primary objective is to improve our guests' technique and ensure their safety. Simultaneously, we are dedicated to instilling a sense of joy in winter sports in our guests. We consistently implement this approach in our group lessons. Course content is adjusted according to participants' abilities, weather conditions, and individual preferences. We deliberately avoid following a rigid curriculum.

We teach in small groups, the size of which is tailored to the participants' abilities:

- Beginner: maximum of 4 participants
- Advanced: maximum of 6 participants
- Expert: maximum of 8 participants

As the accurate grouping can only be determined on the slopes, occasional deviations may occur. Nevertheless, we strive to conduct courses with as few as 1 participant. We reserve the right to merge courses when it seems appropriate.

The Gotschna/Parsenn area is a top-notch skiing destination (believe me, I've been to many), but it does present some challenges, and the weather conditions can be harsh. Therefore, guests at the beginner level must be able to independently perform a snowplow full stop and be at least 6 years old.

The meeting point is located at the Bardillsport Rental Center at 09:15 AM.

- Half-day course: 09:15 AM to 12:50 PM at the Bardillsport Rental Center.
- Full-day course: 09:15 AM to 16:00 PM at the Bardillsport Rental Center

Lunch is typically scheduled between 12:30 PM and 1:30 PM at the Gotschnagratt restaurant. If you wish for your child to dine with their group under the supervision of our staff, please inform your ski or snowboard instructor in the morning and ensure that your child has CHF 20 in cash. It's possible that the group may take additional breaks, such as for warming up. For such occasions, it's highly recommended that your child also has approximately CHF 5 on hand, for example, for a hot chocolate.

Starting from the age of 6, your child will need a valid ski pass.

We look forward to having a great time on the slopes and sharing the joy of skiing or snowboarding with your child.
